If possible I'd love to let the PSO be aware that we are offering a FREE adaptable dance fitness class weekly at EWHS called REFIT. We meet on Wednesdays at 2 pm in either the Great Hall or Gym depending on availability. REFIT focuses on the whole person and is fitness for all. REFIT at EWHS comes under the umbrella of Move60 and is the only secondary school in our district that offers a Move60 class. This REFIT class is coEd and welcomes students, staff and community members. We are also recognized by the PE department as a PE make up. For more information contact Cyndi Hansen @ 425-431-4258 or hansency@edmonds.wednet.edu or reach out on social media on FB or Instagram @ Connect.REFIT

All the Best,

Cyndi
