

EWHS PSO
November 5, 2020
Meeting Minutes

Attendees-

Michelle Massey- co-president
Allison Larsen- EWHS Principal
Heather Rees- Treasurer
Jim Ogren- Teacher Liaison
Jami Samione- 2021 Graduation Chair
Jennifer Eaton- Hospitality
Kim Palmer
Margaret Brown
Debby Fields -Secretary/ membership as needed

Principal Report-

-Allison reported we had a good turnout for curriculum night and we are having a freshman parent webinar very soon, where she will tell Freshman parents about the PSO and encourage them to go to our website and become a member so they can be on our email list for information and events.

-Allison clarified there should be no tests, assignments due or attendance required on no-school days or in the afternoon on ½ days.

-No events can be held currently that require students to assemble due to the rise in COVID cases.

-There are 4 stages for opening and EWHS building would not open until the 3rd stage with only a small number (about 60) of high needs students possibly attending- DHH and Life Skills students
At stage 4 is when the building would be open for the hybrid plan for all students. There are no timelines as it is all based on numbers and we do not know if numbers will allow an opening at the start of next semester, and so far this is moving very slowly.

-Seniors should be ordering cap and gown this week and the school will have a graduation event of some kind, TBD

-Coffee Talk will begin on 11/13 at 8am with Allison, a Zoom link will be sent out

Teacher Report

Jim reported Alex Costumbrado is looking for information on tutors. We discussed creating a list of tutors who are in business in the community to post on our website. Debby will create a list to send to Michelle. Please send any tutor names you know of to Debby at debby.fields@gmail.com

Treasurer Report

Heather reported our current balance is \$12,800.

In October we disbursed the following grants- Support Our Students (\$1000) and Freshman Spirit Grant (\$1,987). PSO insurance renewal application has been finalized (we pay 1/3 of \$1600 for 3 years of coverage)

Other Business

We will do our annual fundraiser in the spring. We will do Joy of Giving from November 30 to December 11th. We will send out an email and spread the word on social media. We will set it up on our website for online donations. Chriss Cossu is our website manager. We will reach out to her to help with this. Michelle Massey will check with Teresa on what her timeline is for this and if anything specific is needed other than donating money.

Next Meeting is December 10th at 7pm.
